# Aviation Hochleistungs-Kegelsenker VHM+X.Cut 100° Carbide High Performance Counter Sinks+X.Cut 100°

- Speziell für den Flugzeugbau
- Monobloc, weniger Vibrationen
- ab Ø12,4 Schaft mit 3 Spannflächen
- Exzentrisch hinterschleifen
- Konstantes Profil
- Oberfläche X.Cut beschichtet
- Especially for aviation applications
- Monobloc carbide, less vibrations
- From Ø12,4 shank with 3 flats
- Excentric relief
- Constant profile
- With X.Cut coating
